BROADLEAF CHERRY
IN HEARTH STAIN

MADE FOR A LIFETIME OF *enjoyment.*

Every Wolf Artisan™ cabinet is built with standard features that are anything but standard. From strong joinery to solid-wood frames, Wolf Artisan offers you a lifetime of dependable performance.

SOLID-WOOD DOVETAIL DRAWERS

Durability is in the details. You'll find this level of craftsmanship on all four sides of every Wolf Artisan drawer.

SOFT-CLOSE DRAWERS AND DOORS

Even the most frenetic of spaces is a little quieter with soft-close hinges and slides.

I-BEAM CONSTRUCTION

Built to remain strong and square from day of delivery to after years of daily use.

3/4" SOLID-WOOD FRAMES WITH EASED EDGES

Soft edges mean fewer snags and scratches and a finish that holds its color and luster longer.

DEEP DRAWER BOXES WITH FULL-EXTENSION

Store more of everything — and find it all easily — with drawers that extend beyond the cabinet face. Featuring 90-lb. drawer slides, drawers can easily carry the weight of appliances, tools and accessories of all kinds.

CUSTOMIZED CONSTRUCTION

Choose the construction level that fits your space or setting the best: engineered wood or all-plywood.

HAWTHORN FULL PAINTED MDF IN STRATUS PAINT WITH CLOVE HIGHLIGHT

Protecting WHAT'S YOURS.

Your cabinets are built with advanced protection to hold up to everyday encounters, like sticky hands and dirty paws, spilled juice, and heavy pans and appliances. The not-so-everyday, too, such as leaking faucets and shut-offs and humid environments.

SMARTGUARD™ SINK BASE

Now this will put your mind at ease: SmartGuard™, our durable, engineered polymer sink base, resists stains and damage from minor leaks and spills. And it's a cinch to clean.

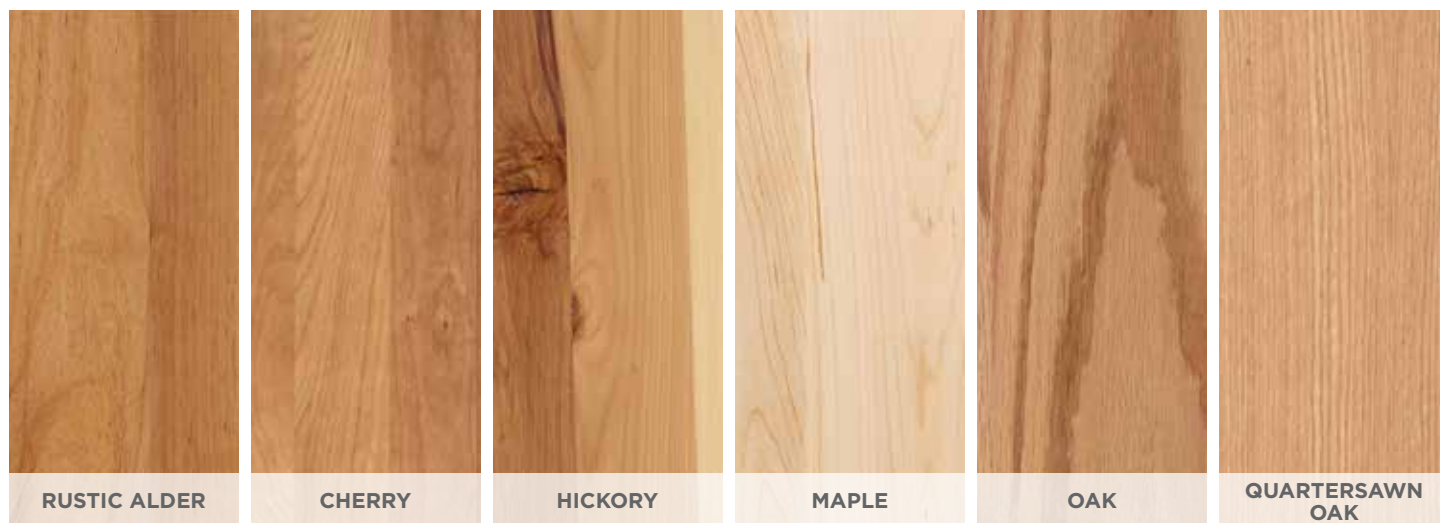

UNMATCHED FIT AND FINISH

Unlike milled wood, the painted MDF in Wolf Artisan™ cabinets won't swell or shrink with changes in temperature and humidity. That means a smooth, lasting finish and no hairline separations at door frame joints or center panels. Available with any of the Wolf Artisan painted finishes.

TELL A STORY *in wood.*

Grains. Burls. Mineral streaks. Variations in color and tone. The natural characteristics of wood add beauty—and character—to any space. Influenced by your choice of finishes, the five wood species in the Wolf Artisan™ collection help you tell a story reflective of your distinctive design aesthetic.

RUSTIC ALDER

Ranging from pale pink-brown to tan. Featuring knotholes, burls and mineral streaks.

CHERRY

Reddish-brown hues that mellow (darken) over time with a smooth, straight-grain pattern.

HICKORY

Dramatic color contrasts from light cream to dark reddish-brown. Features a random grain pattern with burls and knots.

Also available in Rustic

MAPLE

Off-white with light, creamy hues of gold. Consistent, fine grain with occasional dark mineral streaks.

OAK

Light to medium brown with a richly textured, wavy grain pattern.

QUARTERSAWN OAK

The technique of cutting a tree at a nearly 90° angle, creating a parallel and orderly feel to the grain as opposed to the natural variances you'll find with traditional woods.
